The 'Edit Notifications Settings' Page

Access the Edit Notifications Settings page using the 'Edit Notifications' link on the Courses tab.

You can edit the notifications for individual courses or organisations by clicking on the name of the course or organisation.

You can also use the Bulk Edit Notification Settings to change settings for all the programme and module areas that you are enrolled on. To do this click on 'Courses I am taking'.

Ensure that 'Select Course' is set to 'All'.

Change Settings

Select a set of courses or organisations to which priority notifications should be sent. Select the courses and organisations you wish to receive notifications from.
