What We Do

Based in Catalyst, the Careers team are here to help you find and achieve your success! We are ready with careers information and opportunities to make you stand out from the crowd.

1-to-1 informal appointments to talk about anything careers related. Such as talking about career options, finding part-time or graduate work, volunteering opportunities, application and interview advice and much more.

The team run workshops and events throughout the year. Such as CV workshops, Careers Fairs, employer presentations and more.

Send us your CV or application and we can check it over for you. Giving you constructive feedback on how you can improve it and tailor it to a specific opportunity.

Recognition through awards programmes. Students can receive recognition for their self-development and boost their CV through Careers-led initiatives, such as the Extra Edge programme and the annual Careers Awards.

Extra Edge

The new employability award

Want to get the Extra Edge?

This employability programme helps you stand out from the crowd and increases your chances of success!

Extra Edge rewards you for the work you do for your current, or future, voluntary or part-time work. Choose from an additional range of activities that will help you gain and develop new skills. Every activity you complete and reflect on will earn you points towards your award.

Extra Edge is like your portable CV which will help you track the skills you are developing throughout your time at university and will help make the process of applying for opportunities in the future easier.

For more information and to sign up, visit... ehu.ac.uk/extraedge

Information sessions happening on the 6th, 12th and 21st October.

Part-Time Jobs

Looking for part-time work while at university?

The start of a new term sees a lot of local businesses and teams around the University advertise new part-time work opportunities. It also sees a lot of competition!

Visit www.edgehill.ac.uk/careers/developing-skills-experience/part-time-jobs or scan the QR code below to see all our resources.

We maintain live lists of jobs in the local area and have contacts with colleagues around the University. We can also help with applications and help find part-time opportunities that may lend themselves to your future career aspirations.

What's your Career Readiness?

This year we are asking you what's your career readiness? Plan, Decide or Compete? Depending on what stage you are at you may be looking for different things from us. So, we are tailoring our events to fit within each of these themes so that you can get the most out of them!

Plan – Your Future

Example areas... Part-Time Work, Developing Experience, Job Searching

Decide – Your Career path

Example areas... Postgraduate Study, Career Options, Developing Experience

Compete – For Your Goals

Example areas... Making Applications, Postgraduate Study, Volunteering, Part-Time Work, Getting the Job, Job Searching
