

## Call for presentation: Student Forum

Studying Comparative and International Education (CIE) in the global emergencies and uncertainties (29 Nov 2021, 11-1 online).

Guest speakers:

Rafael Mitchell, University of Bristol;

Michael Fertig, University of Bath

Are you an undergraduate or postgraduate student studying CIE as a degree or a part of a degree in the UK or elsewhere in the world?

We would be interested in hearing from you about your experiences of undertaking this course or your understanding about studying CIE during the pandemic and other global emergencies/uncertainties.
