

A welcome from our Student Advisor- Transcript

Hi and welcome to this UniSkills Toolkit. My name is Tom and I'm a student advisor here at Edgehill University and I'd like to tell you a little more about what UniSkills can do to support you and how this toolkit works.

UniSkills is your key to academic success, and they provide a wide range of support for all students.

Whatever your subject or level of study, UniSkills' online resources and toolkits, like this one, provide an opportunity for you to take a deeper dive into a specific skill that will support you on your academic journey.

You can work through the entire toolkit or jump in and out as you need, focusing on the areas you want to develop most, and this toolkit will help you to enhance your academic abilities and boost your confidence at university and beyond.

You will also learn more about additional support provided UniSkills and how you can use this, later in the toolkit.

So what are you waiting for? Let's get started!
