

## What is Sage Journals?

SAGE publishes more than 600 journals covering Health Sciences, Life and Biomedical Sciences, Materials Science, Engineering, Social Sciences and Humanities.

## How do I access?

- Like all our electronic resources, Sage Journals is accessible via the Library Catalogue.
- Enter Sage Journals in the search box, choose 'Electronic Library' from the right drop-down menu and click 'Submit'.
- Connect to the database by clicking 'Website'.

## How do I search?

The screenshot shows the Sage Journals website interface. At the top, it displays the SAGE Journals logo, the institution name 'Edge Hill University', and navigation links for 'Sign In', 'Contact us', and 'Help'. Below this is a main navigation bar with 'Home', 'Search', 'Browse', 'My Tools', and 'Information & Services'. A search box is located on the right side of the navigation bar. The main content area features a 'Welcome to SAGE Journals' message with a 'Find Out What's New' button. A search box is prominently displayed with a 'Go' button. A callout box with an arrow points to this search box, containing the text 'Enter key word search'. Below the search box, there are links for 'Browse Journal List', 'My Tools', and 'Information & Services'. Another callout box with an arrow points to the 'Browse Journal List' link, containing the text 'Browse through journal titles'. The right side of the page contains several promotional boxes: 'New! Search and Browse by Discipline', 'Sign Up for Alerts', 'New Journals', and 'More from SAGE'. At the bottom, there is a 'News & Announcements' section with links to 'SJO news', 'SAGE journal news', 'SAGE product news', and 'SAGE announcements'.

# Evaluating the Search Results

Number of results

The screenshot shows the SAGE Journals search results page. At the top, the SAGE Journals logo and Edge Hill University branding are visible. A navigation menu includes Home, Search, Browse, My Tools, and Information & Services. A search bar on the right contains the text 'Search all journals: Advanced Search'. Below the navigation, the search results are displayed. The first result is 'The re-articulation of cultural studies in Japan and its consequences for Japanese studies' by Fabian Schäfer, published in the *International Journal of Cultural Studies* in January 2009. Below the title and author information, there are links for 'Check Item', 'Abstract', 'Full Text (PDF)', and 'References'. A box labeled 'View summary' points to the 'Abstract' link, and a box labeled 'View full text' points to the 'Full Text (PDF)' link. On the right side of the page, there are sections for 'Search Results' (Next 10, New Search), 'Modify Results' (Citation format: standard, Results/page: 10, Results order: relevance), 'My Marked Citations' (Check All, Uncheck All, Add to my citations [0]), and 'This search'.

# Saving and Printing an article

The screenshot shows the full article page for 'The re-articulation of cultural studies in Japan and its consequences for Japanese studies' by Fabian Schäfer. The page features the journal title 'International Journal of Cultural Studies' and the article title. Below the title, the author's name and the journal information are listed. A box labeled 'Save, print or e-mail your results' points to a set of icons at the bottom of the page, which include a printer icon, a document icon, and a mail icon. On the right side, there is a sidebar with 'This Article' information, including the DOI (10.1177/1367877908098853) and options to 'Show PDF in full window', 'Full Text (PDF)', and 'References'. The sidebar also includes sections for 'Services' (Email this article to a colleague, Alert me when this article is cited, Alert me if a correction is posted, Similar articles in this journal, Download to citation manager, Request Permissions, Request Reprints), 'Citing Articles' (Citing articles via Google Scholar), 'Google Scholar' (Articles by Schäfer, F., Search for related content), and 'Share' (Facebook, Twitter, LinkedIn, etc.).
