

Activating your eShare account

eShare is Edge Hill University's repository for teaching and learning materials. All students and staff of the University have an eShare account.

You need to activate your account so that your tutors can make certain resources available to you.

Here's how:

- Go to www.eshare.edgehill.ac.uk
- Choose **Login** and enter your username and password – these are the same as you use for logging into the Go portal and the University network (your password will update automatically too).

The screenshot shows the eShare website homepage. At the top, there is a purple header with the Edge Hill University logo on the left and the eShare logo on the right. Below the header is a navigation bar with links for Home, Browse, About, and Help. A search bar is located on the right side of the navigation bar, with a magnifying glass icon and the text "Advanced search". Below the navigation bar is a "Login" button. The main content area features a large banner image of graduates in caps and gowns. Overlaid on the banner is a "Welcome to eShare" message and a list of recent additions, including "learning edge tools", "learning services faculty news", "live chat", "timer reference 2013", "cltr conference", "student", "finance resources newsletter", "enrolling staff", "ejournals", "working with", "children writing assignments", "essay structure student", "guide", "meeting", "powerpoint 2013", "nss student", "feedback", "proof reading online tutorials", and "document format". At the bottom of the banner, there is a "Latest additions" link with a small icon.
