## Introduction

---

### Your Account

To access Edge Hill's Virtual Learning Environment, you'll need an Edge Hill University account.

These accounts are applied for on an annual basis by the faculty that you are working with. If you have had an account in the past and it is not working now, this might be why.

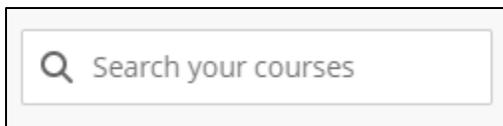

Edge Hill University uses the Blackboard VLE, which is sometimes referred to as 'Learning Edge'.

## Logging in

You can log in at [edgehill.ac.uk/service/learning-edge](https://edgehill.ac.uk/service/learning-edge). Select 'Log in to Learning Edge' and log in with your Edge Hill University username and password.

## Finding Courses

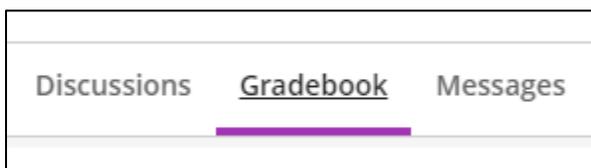

You will arrive on the Blackboard Courses page. You can browse through courses or use the 'Search your courses' search box to find them.

## Finding Assessment Activity

---

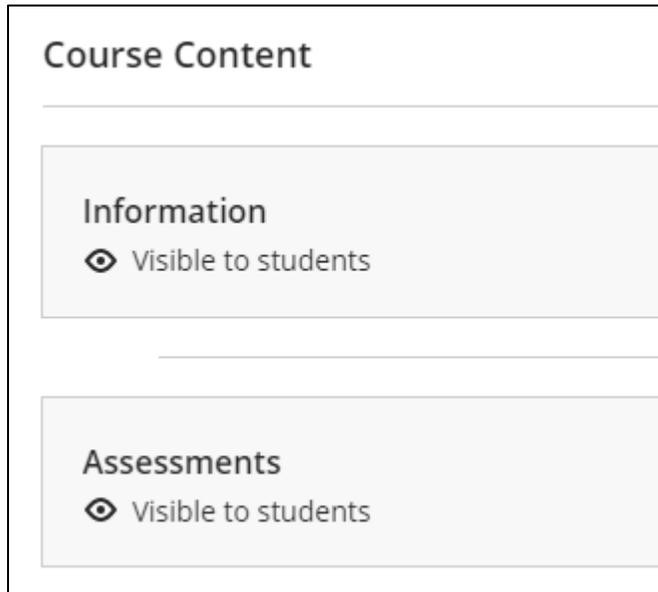

An overview of assessed activities can be accessed through Gradebook at the top of the screen.

You can use the view button to switch between the list and grid views.

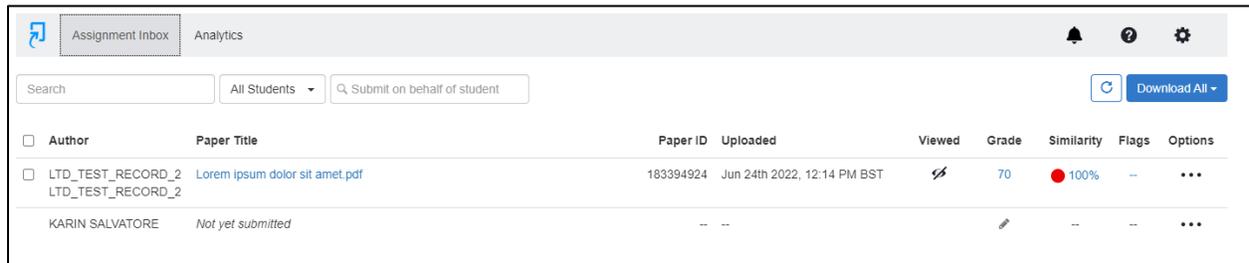

There is also likely to be an assessments area in the 'Course Content' area of the 'Content' tab. This may contain information about assessments

There are several tools that may be used for assessments, but the most used ones are Turnitin, and the Blackboard's Assignments tool.

# Turnitin

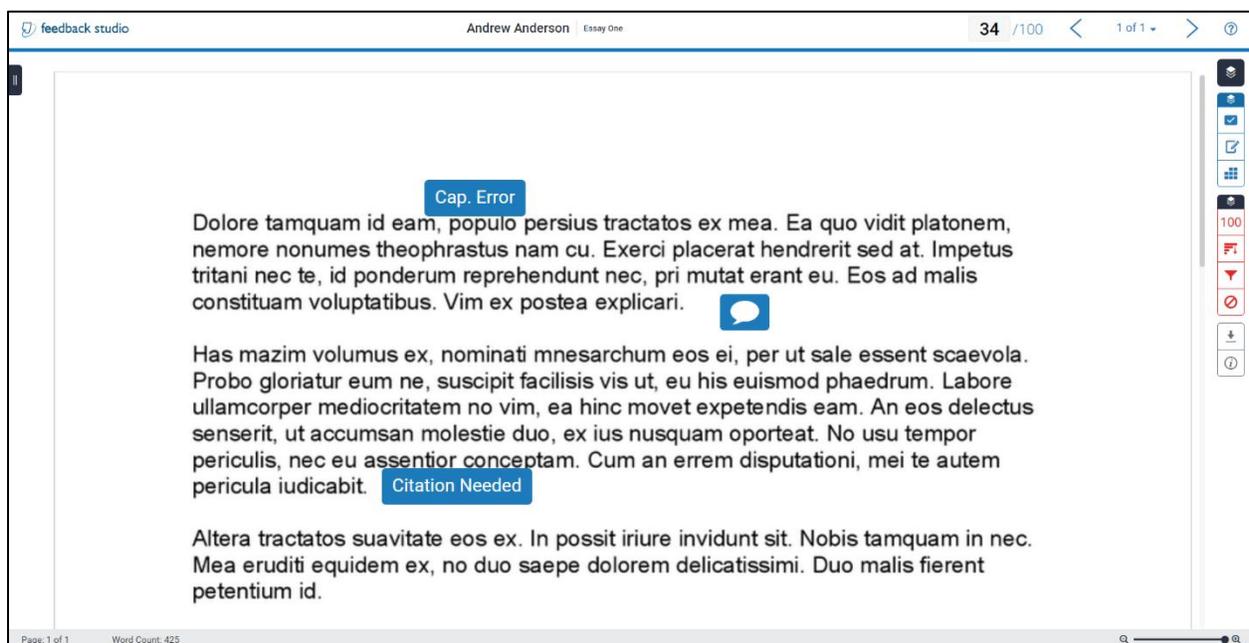

If you select a Turnitin assignment you will be taken to a list of students and their submissions.

The screenshot shows the Turnitin Assignment Inbox interface. At the top, there are tabs for "Assignment Inbox" and "Analytics". Below the tabs is a search bar and a dropdown menu for "All Students". A "Download All" button is visible on the right. The main area contains a table with columns: Author, Paper Title, Paper ID, Uploaded, Viewed, Grade, Similarity, Flags, and Options. Two rows are visible: one for "LTD\_TEST\_RECORD\_2" with a grade of 70 and 100% similarity, and another for "KARIN SALVATORE" with the status "Not yet submitted".

Author	Paper Title	Paper ID	Uploaded	Viewed	Grade	Similarity	Flags	Options
LTD_TEST_RECORD_2	Lorem ipsum dolor sit amet.pdf	183394924	Jun 24th 2022, 12:14 PM BST		70	100%	--	...
KARIN SALVATORE	Not yet submitted	--	--			--	--	...

You can select a Paper Title to open Turnitin Feedback Studio where you can see grades and feedback.

The screenshot shows the Turnitin Feedback Studio interface for a student named Andrew Anderson. The page title is "Essay One" and the word count is 34 / 100. The main content area displays a student's submission in Latin. There are two feedback annotations: "Cap. Error" and "Citation Needed". The submission text is as follows:

Dolore tamquam id eam, populo persius tractatos ex mea. Ea quo vidit platonem, nemore nonumes theophrastus nam cu. Exerci placerat hendrerit sed at. Impetus tritani nec te, id ponderum reprehendunt nec, pri mutat erant eu. Eos ad malis constituam voluptatibus. Vim ex postea explicari.

- General comments accessible by clicking on the ‘Feedback Summary’ icon found on the toolbar, on the right-hand side of the screen.

- Feedback in relation to Faculty/Department assessment criteria viewable by selecting the ‘Rubric/Form’ icon.
