

Edge Hill University

LEARNING EDGE MOBILE APPS

AN INTRODUCTION TO AVAILABLE MOBILE APPS FOR EDGE HILL
UNIVERSITY STUDENTS AND STAFF

Guide No.: LTD5023
Version No.: 2.2

Update: 04/01/2019

Introduction

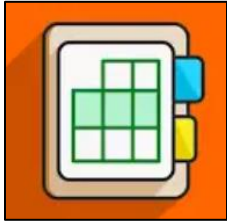

Mobile apps can make accessing tools like Blackboard more convenient on mobile devices. This guide is a brief introduction to the apps available to Edge Hill staff and students.

Blackboard

- For use by students
- Makes certain activities, such as accessing content, more convenient on mobile devices. Is required to use **Blackboard Collaborate** rooms
- Available on Android, iOS and Windows
- More details on [Getting started with the Blackboard app](#)

Blackboard Instructor

- For use by staff
- Makes certain activities, such as participating in discussions, more convenient on your mobile device.
- Available on Android and iOS
- More details on [Getting started with Blackboard Instructor](#)

Edge Hill Central

‘Edge Hill Central’ contains useful information about the Institution and many useful resources such as an events calendar, links to social media, campus map, PC availability and the Blackboard app.
