Win a Microsoft Research Internship

The Microsoft Research Bright Minds Competition

A Bright Minds Internship is your opportunity to work on real-world projects alongside some of the brightest minds in computer science at Microsoft Research Cambridge.

Successful candidates will embark on an eight week internship programme starting 30 June 2014 and will benefit from a competitive salary, subsidised accommodation, free bike rental, assistance with travel costs, discounts on Microsoft hardware and software, onsite gym membership and free beverages.

Eligibility

To be eligible to enter, you must:

- Be in your penultimate year of undergraduate studies
- Be studying engineering, computer science, mathematics, physics, design, social sciences or computational sciences
- Have strong analytical abilities and interest in research
- Have programming skills
- Have the right to work in the UK

Closing date for applications is **18 April 2014.**

Visit the Bright Minds web page to find out how to apply.
