All About Food Ltd

Organisation Profile

Making Restaurant Brands Famous in Retail! All About Food isn't your typical food business. We're a people driven and values led team of Foodies who like to do things differently. We work with some of the UK's leading restaurants, bringing their brands and products to life on supermarket shelves and screens. We've doubled in size over the last 5 years, and plan to double again.

Typically recruit for:

Technical Graduate

Degree subjects accepted:

Nutrition and Health

■ Opportunities offered:

- Work Experience Summer Intern
- Graduate Jobs

Alternative Futures Group

Organisation Profile

We deliver person centered support to people across the North West with a range of care needs, including learning disabilities, physical disabilities, mental health concerns and autism. Support is delivered in their own homes or via our treatment and recovery centres. Throughout all of our services, we focus on personalised support, tailoring services to the needs and aspirations of each individual; supporting them to lead the lives they want as active citizens in their communities.

Typically recruit for:

Support Workers, Occupational Therapists, Registered Managers, Clinical Leads, Nurses (RMN / RNLD / RGN), Psychological Therapists.

Degree subjects accepted:

Safe Families for Children

Organisation Profile

Safe Families works hand-in-hand with children's services to link families in need with local volunteers who can offer them help and support.

When a crisis strikes a family with children, its effects can be devastating. Many of us would turn to relatives and friends for support but some families can be really isolated with nobody there to help them. Stabilising families before they reach a breaking point is key to reducing the number of children who need to go into care.

Typically recruit for:

Safe Families provides volunteer Family Friends, Host Families and Resource Friends to help while parents get back on their feet

Degree subjects accepted:

Any degree / subject areas
