## MUSIC

Whatever your taste, London is music to your ears! With Brixton Academy, The O2 Arena and The Royal Albert Hall on your doorstep you'll find your sound.

## FOOD

Love to eat? London is the perfect place to dine. From the famous curries of Brick Lane, the all you can eat buffets of Chinatown to the ever changing pop up food stalls, you'll never go hungry in London!

## NIGHTLIFE

With over 7,000 pubs, many rooftop bars and of course, the odd gin festival, you can always find somewhere to cut loose at the end of the week. Want to continue the party? London has clubs galore!

## ART

Museums, Markets and Theatre. Living in London means you're never far away from a chance to soak up the culture, catch a show at one of the many theatres, spend an hour browsing the markets or wander through a museum. (often for free!)

## TRAVEL

When the school holidays roll around, a well-earned break is never far away. London has amazing travel connections to the rest of the world! Jump on a plane from one of the 5 airports and jet off to your paradise. And if flying's not for you, the Eurostar will take you right into the heart of Europe.
