Assignment submission checklist

	Insert or 'Yes'
I have checked that the assignment conforms to the details in the Pre-registration Programme Handbook.	
I have checked that the main body of the assignment uses a font size that gives approximately 300 words per page (*for example Arial 12 point*), and that it is *double spaced.*	
I have left margins of at least 4cm at the left hand side and 2 cm at the right hand side, top and bottom.	
Quotations longer than two lines are indented.	
All pages are numbered	
Margins are free of all information, including page numbers.	
I have checked that the reference list conforms to the Harvard referencing system, as per the Edge Hill University Harvard guide.	
I have completed a cover sheet (see next page)	
I have checked that the details on the cover sheet are correct, **in particular that I have included my name and student number**
