LearningEdge

Within Blackboard you will find the following tools.

Blackboard learn+

Blackboard is the VLE at the heart of Learning Edge. It is the online home for programme or module information, learning materials, assignment submissions, communication and collaboration.

Blackboard is a free mobile app that makes it easier to use Blackboard on mobile devices. It is available on iOS$_{TM}$ and Android$_{TM}$

Blackboard ALLY

Blackboard Ally converts course resources into a variety of formats including audio, electronic Braille for the visually impaired. Ally also gives staff advice on how to make resources more accessible.

turnitin

- Support the development of academic writing skills
- Enable online submission, grading and feedback
- Support plagiarism checking and prevention

Panopto

Lecture capture, screencasting, video hosting, video assignment submission, and video content management.

Qwickly

Qwickly Attendance Record attendance through Blackboard.

Qwickly Course Tools Perform tasks in multiple courses at once.

These tools can be logged into outside of Blackboard.

Padlet

Padlet enables the use of 'digital walls' for collaboration and interaction. You need to request an account to use this.

bob

Box of Broadcasts is an on-demand TV and radio service. Staff and students can use it to access programmes from many free-to-air channels.

LEARNING with Lynda.com CONTENT

LinkedIn Learning offers students and staff video tutorials on many different topics.

Staff can embed individual videos or add links to playlists to Blackboard.

Jisc Online surveys

Online Surveys is a tool staff can use to collect feedback electronically, or to facilitate module evaluations and research. You need to request an account to use this.

VEVOX

Vevox is a live polling and quizzing interaction tool.

eShare

eShare is a content repository for hosting reusable teaching and learning content.

Files can be linked to from within Blackboard areas.
