LearningEdge

Learning Edge is our collection of teaching, learning, and assessment tools.

For advice, support, or information email ltdsupport@edgehill.ac.uk

Within Blackboard you will find the following tools.

Blackboard

Blackboard is the VLE at the heart of Learning Edge. It is the online home for programme or module information, learning materials, assignment submissions, communication and collaboration.

Blackboard is a free mobile app that makes it easier to use Blackboard on mobile devices. It is available on iOS™ and Android™

Blackboard Ally

Blackboard Ally converts course resources into a variety of formats including audio, electronic Braille for the visually impaired. Ally also gives staff advice on how to make resources more accessible.

turnitin

- Support the development of academic writing skills
- Enable online submission, grading and feedback
- Support plagiarism checking and prevention

Panopto

Lecture capture, screencasting, video hosting, video assignment submission, and video content management.

Qwickly

Qwickly Attendance
Record attendance through Blackboard.

Qwickly Course Tools
Perform tasks in multiple courses at once.

eShare

eShare is a content repository for hosting reusable teaching and learning content.

Files can be linked to from within Blackboard areas.

These tools can be logged into outside of Blackboard.

Padlet

Padlet enables the use of 'digital walls' for collaboration and interaction. You need to request an account to use this.

LinkedIn Learning

LinkedIn Learning offers students and staff video tutorials on many different topics.

Staff can embed individual videos or add links to playlists to Blackboard.

Vevox

Vevox is a live polling and quizzing interaction tool.

bob

Box of Broadcasts is an on-demand TV and radio service. Staff and students can use it to access programmes from many free-to-air channels.
