- Special Student Research Showcase

When?

How?

Why Technology?

- Technology
- Critical thinking
- Foster knowledge
- Technological modalities

When – Technology?

- "Real" life situations
- Full medical knowledge
- Various ways to communicate
- Experiential-learning
- Effective communication skills

How Technology?

- Supports nursing practice.

- Strengthens the delivery of nursing care.

- Provides nurses with a way to manage date, information and knowledge.

Why Humour?

- Interest in learning

- Mental acuity

- Understanding and bonding

- Environment

- Relationship

When Humour?

- Bridge the gap

- Satisfaction

- Acceptance

- Difficult situations

How Humour?

- Use as a teaching strategy.

- Being subjective.

- Avoid degrading, belittling, sexist or cultural inappropriate behavior.
